Two books in one! Pays for itself many times over. Avoid the risk of frustration and data loss. Even if your computer is stolen your files are secure! This is the book to have when you are surfing the Internet. 116 pages.

**Winning the Story Wars** Jonah Sachs 2012-06-19 Trying to get your message heard? Build an iconic brand? Welcome to the battlefield. The story wars are all around us. They are the struggle to be heard in a world of media noise and clamor. Today, most brand messages and mass appeals for causes are drowned out before they even reach us. But a few consistently break through the din, using the only tool that has ever moved minds and changed behavior—great stories. With insights from mythology, advertising history, evolutionary biology, and psychology, viral storyteller and advertising expert Jonah Sachs takes readers into a fascinating world of seemingly insurmountable challenges and enormous opportunity. You'll discover how: • Social media tools are driving a return to the oral tradition, in which stories that matter rise above the fray • Marketers have become today's mythmakers, providing society with explanation, meaning, and ritual • Memorable stories based on timeless themes build legions of eager evangelists • Marketers and audiences can work together to create deeper meaning and stronger partnerships in building a better world • Brands like Old Spice, The Story of Stuff, Nike, the Tea Party, and Occupy Wall Street created and sustained massive viral buzz Winning the Story Wars is a call to arms for business communicators to cast aside broken traditions and join a revolution to build the iconic brands of the future. It puts marketers in the role of heroes with a chance to transform not just their craft but the enterprises they represent. After all, success in the story wars doesn't come just from telling great stories, but from learning to live them.

*The Startup Owner's Manual* Steve Blank 2020-03-17 More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you: • Avoid

the 9 deadly sins that destroy startups' chances for success • Use the Customer Development method to bring your business idea to life • Incorporate the Business Model Canvas as the organizing principle for startup hypotheses • Identify your customers and determine how to "get, keep and grow" customers profitably • Compute how you'll drive your startup to repeatable, scalable profits. The Startup Owner's Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.
