Game On! Dustin Hansen 2016-11-22 Find out about the fast and furious growth and evolution of video games (including how they are quickly taking over the world!) by looking at some of the most popular, innovative, and influential games ever, from Pong, the very first arcade game ever, to modern hits like Uncharted. Learn about the creators and inspiration (Mario was named after Nintendo's landlord after he barged into a staff meeting demanding rent), discover historical trivia and Easter eggs (The developers of Halo 2 drank over 24,000 gallons of soda while making the game), and explore the innovations that make each game special (The ghosts in Pac-Man are the first example of AI in a video game). Whether you consider yourself a hard-core gamer or are just curious to see what everyone is talking about, Game On! is the book for you!

Star Wars Be More Boba Fett Joseph Jay Franco 2021-12-02 Throw aside the 9-to-5 and discover the joys of going freelance! In a big wide galaxy you'll find every personality type. There are those who want to work for a large, stable employer like the Imperial Navy, pushing buttons on a space cruiser. There are also those who are content living the simple (but dull) life of a merchant or moisture farmer. And then there are those special few who long for the freelance life. If you aren't afraid of grueling (and sometimes frowned upon) work, traveling to exotic locations, and being your own boss, you may find guidance in the wise words of those who have been there. Be More Boba Fett will help guide you on your path to the independent life of a successful entrepreneur. © and TM 2021 Lucasfilm LTD

The Avengers in Video Games Blair Farrell 2021-03-19 For decades, Marvel Comics' superhero group the Avengers have captured the imagination of millions, whether in comics, multi-billion dollar grossing films or video games. Similar to the chronology of the Marvel Cinematic Universe, the Avengers video games first started with titles driven by single characters, like Iron Man, the Hulk, Thor and Captain America. Over time, the games grew to include more and more heroes, culminating in playing experiences that featured the Avengers assembled. This is the first-ever book assessing the video games starring "Earth's Mightiest Heroes." Featured games span consoles and platforms, from popular PlayStation and Xbox titles to an arcade game in danger of being lost to time. All video games are covered in depth, with each entry including game background and a detailed review from the author. Some game entries also include behind-the-scenes knowledge from the developers themselves, providing exclusive details on the Marvel video game universe.
